### PATIENT SPOTLIGHT

#### Meet Our 2026 Local Children’s Miracle Network Champion

At two years old, Quincy visited The Heart Clinic at CHRISTUS Children’s, where an echocardiogram revealed multiple heart defects that required surgery. He underwent a seven-hour procedure and, after a short stay in the PICU, returned home to continue healing. Despite a difficult journey, Quincy is thriving thanks to the expert, personal care he received at CHRISTUS Children’s.
